Providing Care and Expertise to Health Systems

Expert Account Support

Every medical facility deserves the support and dedication they provide their patients. CuraScript SD by Evernorth's teams of account managers provide expertise to each physician and facility we serve, caring for those who care.

Health systems are no exception. Our account managers work with these sites of care to provide insights on relevant trends, services, and options that fit their needs, including

- Access to specialty infusion, injectable, oral and rare disease therapies
- Product availability and ordering support
- Cold-chain and specialized product handling

Access to Essential Therapies

From biosimilars to gene therapies, ensuring you have access to the product your patients need is crucial. With the wide range of specialties we serve, our expert care provides physicians and medical facilities access to a diverse product portfolio, including 40 products exclusive* to CSD.

Customized Solutions

CuraScript SD offers integrated delivery solutions to safely and consistently distribute medical supplies and pharmaceuticals for acute facilities and hospital administration. We also offer competitive pricing on supplies and pharmaceuticals, rebate and contract management, simplified billing, flexible terms, easy ordering options and more.

Meeting Your Needs

To better support the needs of your medical facility, CuraScript SD offers a wide array of services:

- **Convenient ordering** – phone, fax and online ordering options are available
- **Contract pricing assurance** – our exclusive contract pricing assurance tools allow for improved compliance and visibility of contracted savings
- **Flexible shipping** – next-day service is offered on all refrigerated products as well as Friday-for-Monday delivery at no additional charge
- **Authorized GPO supplier** – as an authorized supplier for most group purchasing organizations, we can offer additional savings to members through their GPO contract.
