#### **01 | Putting the Customer First**

At CuraScript SD our customers are a top priority because we serve physicians across the country that are treating patients for knee injections to some of the most complicated and rare diseases. We know our customers need to be able to rely that their orders are going to arrive on time and in excellent condition. We work diligently to meet the needs of our customers by making everyone a priority and no need is greater than another.

#### **02 | Unprecedented Product Value**

Our product offering is vast and ever-growing and our goal is always to supply the products that our customers need and want. Our Purchasing Team works closely with the Sales Organization to ensure our product portfolio matches the requests from the customers while

offering true value. We work to offer a wide range of products at the best price.

#### **03 | Exceptional Support**

CuraScript SD can support a vast array of requests and unique needs of our customers. Customers needing custom reports, detailed order history, contract support, or any other assistance can rely on our team. CuraScript SD is ready with representatives available during extended business hours and warehouses across the U.S. In order to meet all of the needs of our customers we make sure our teams are properly aligned and ready to handle all markets.

#### **04 | Building Relationships**

We appreciate every customer we have and we work on establishing long-term, lasting relationships with our customers. All of our teams value the time and effort our customers are putting forth toward their patients and that inspires us to become an extension of the physician. We work everyday to build strong bonds with our customers because they are part of the CuraScript SD “family”.
