

Employee Spotlight – Christine Aviles

Caring Team for Care Providers

At CuraScript SD by Evernorth, we are continuously Caring for those who care® in everything we do. In every aspect of our business, we work to provide your practice with the products and services you need to support your patients. This is no small feat. All of our employees work hard every day to help provide you with the best service possible.

Whether that's filling your orders or helping with any questions or issues you may have, all our teams assemble to support our organization so we can better care for your practice.

Christine Aviles

Christine Aviles is the Business Project Advisor with our Center of Excellence. In her role, Christine oversees the planning, execution, and completion of projects to ensure they align with organizational goals and timelines. This involves coordinating with cross-functional teams, managing resources, monitoring progress, and addressing challenges to keep the project on track. Her favorite part of the job is that she can contribute to projects that help improve access to essential medications and healthcare solutions.

When asked how she represents Caring for those who care®, Christine responded, "I focus on ensuring that our organization's projects are executed to the highest quality standards. This commitment helps streamline and enhance processes for delivering vital products to healthcare professionals and facilities, ensuring patients receive the care they need to improve their quality of life."

Christine and the rest of our team look forward to providing specialized services to assist your practice.
