Michele Wesley

Michele Wesley works on the EDI team for CuraScript SD by Evernorth as the EDI Admin. In her role, she communicates with various departments to resolve EDI issues. Michele obtains the necessary information and then creates the tasks for the EDI technical support team, who complete the connection between CuraScript SD by Evernorth and the customer. Her favorite part of her work is that she is learning so much each day. Michele feels that when she's able to apply the new knowledge, it's super satisfying. When asked how she represents Caring for those who care®, Michele responded, "Mostly, I think the fact that I'm willing to jump in and help whenever needed. This is at work as well as at home."

Michele and the rest of our team look forward to providing personalized innovations to assist your practice.
