

+ Employee Spotlight – Shannon Harrell

Caring Team for Care Providers

At CuraScript SD by Evernorth, we are continuously Caring for those who care® in everything we do. In every aspect of our business, we work to provide your practice with the products and services you need to support your patients. This is no small feat. All of our employees work hard every day to help provide you with the best service possible.

Whether that's filling your orders or helping with any questions or issues you may have, all our teams assemble to support our organization so we can better care for your practice.

Shannon Harrell

Shannon Harrell is a Program Manager for the Rare Disease and Specialty Services team at CuraScript SD by Evernorth. She works closely with vendors and the Implementation Team to ensure seamless product launches by developing work instructions, creating reports and providing training. Shannon also oversees the REMS Program and Consignment Programs while supporting leadership with a variety of projects. Shannon's favorite part of her job is collaborating with multiple teams across CuraScript SD and partnering with vendors to ensure products are successfully delivered to customers.

When asked how she represents Caring for those who care®, Shannon responded, "I demonstrate Caring for those who care® by supporting the teams and partners who rely on me to help deliver the best possible experience for our patients and customers. Whether I'm launching new products, coordinating

across departments, or working with vendors, I focus on making sure everyone has the information, training, and tools they need to do their jobs well."

Shannon and the rest of our team look forward to providing specialized services to assist your practice.

Distribution and Beyond

CuraScript SD by Evernorth has several teams of professionals who continuously strive to excel in their fields to assist physicians and their practices. These talented individuals are spread across various departments built to manage our customers' various needs:
