

Important Information

Date October 10, 2012

Subject RECALL: Contaminated Preservative Free Methylprednisolone Acetate (80mg/ml)

Dear Valued Customer:

As it has been reported, The New England Compounding Center (NECC) has voluntarily expanded its recall to include all products currently in circulation that were compounded at and distributed from its facility in Framingham, MA.

Please rest assured that CuraScript SD does not source its products from compounding pharmacies. Products distributed by CuraScript SD have not been affected by this recall.

For more information about the this recall or about Fungal Meningitis visit the Centers for Disease Control and Prevention site at:

<http://www.cdc.gov/HAI/outbreaks/meningitis.html>

Regards,
CuraScript Specialty Distribution
