

Focusing on Orthopedic Practices

Orthopedics

Practice efficiency has become increasingly important as advancements in medications and technology have changed the way orthopedic practices serve the community. At CuraScript SD we know the success of your practice depends upon eliminating waste and reducing your operating costs. We offer multiple solutions to minimize inventory and maximize cash flow while you focus on your patients.

Customized Solutions

CuraScript SD provides integrated delivery solutions to safely and consistently distribute pharmaceuticals and medical supplies for office or clinic administration. In addition to an extensive inventory, our services include competitive pricing on pharmaceuticals and supplies, rebate and contract management, simplified billing, flexible terms, easy ordering options and more.

Total Account Management

CuraScript SD offers customized business solutions, assigning dedicated account managers to work closely with their customers to recognize trends and select the services and products that best meet their needs. This allows orthopedic practices access to new avenues for growth. Revenue cycle management, contract eligibility and inventory controls are just a few of the services CuraScript SD offers that help facilitate practice success.

Meeting Your Needs

Here are just a few of the ways that CuraScript SD provides superior care to orthopedic practices:

- Convenient ordering options – phone, fax and online ordering options are available with no order schedules and no volume restrictions
- Easy account setup – initial orders are usually shipped within 48 hours of receipt of the credit application and credentials
- Contract pricing assurance – our exclusive contract pricing assurance tools enable improved compliance and greater visibility of contracted savings
- Flexible shipping options – we offer next day service on all refrigerated products as well as Friday-for-Monday delivery at no additional charge
- Authorized GPO supplier – as an authorized supplier for most group purchasing organizations, we can offer additional savings to members through their GPO contract.

Did you know?

CuraScript SD has a diverse product catalog to support and provide various products to fit physician needs.
