

Supporting Rare Disease Day

Rare Disease Day

Rare Disease Day is observed every year on February 28th since its creation in 2008. The long-term goal of the Rare Disease day campaign is to achieve equitable access to diagnosis, treatment, health and social care and social opportunity for all people affected by a rare disease. Every year thousands of events are organized in over 100 countries to raise awareness.

Supporting Rare Disease Patients

We know that every hour can be vital to a patient's health. Given this, CuraScript SD ensures that every rare disease patient gets the critical medication they need within the hours they need it. CuraScript SD provides integrated delivery solutions for the safe and expedited distribution of rare and orphan specialty pharmaceuticals.

Offering Unparalleled Support

CuraScript SD serves as the exclusive distributor for 24 rare disease products. Our dedicated Rare Disease team has long-established relationships with hospitals, specialty pharmacies, physicians and infusion centers, allowing for seamless support, including critical response time for urgent patient needs and emergency order processing.

Customized Solutions

We are proud to have long-standing consignment model relationships with hospital systems across the country for rare disease, orphan, ultra-orphan and critical life-saving pharmaceuticals. CuraScript SD has the expertise and exclusive relationships to help hospitals identify and recognize trends to eliminate waste, reduce your operating costs and improve patient outcomes.

Meeting Your Needs

Our unique service model specializes in providing customized end-to-end distribution services to the hospital, healthcare provider or authorized specialty pharmacy to meet the unique needs of these products with small patient populations. Some service features of the Rare Disease team are:

- Specialized dedicated sales and customer service teams
- Extensive experience with managing products with REMS requirements
- Robust specialty distribution resources and process
- Emergency delivery model
- Stat delivery models within hours

Did you know?

Rare Disease Day raises awareness for the 300 million people living with rare disease around the world.
