

Serving Through Distribution

The Distribution Difference

CuraScript SD has exceptional and dedicated teams that work in each of our 3 distribution centers located in the U.S., where we service the entire country by leveraging locations in Ohio, Arizona, and Memphis. This allows us to provide quality shipment options no matter the destination.

We approach distribution differently and consider the importance of every order. With diversity in healthcare and the changing needs of patients and physicians CuraScript SD adapts to fulfill these needs. We treat every shipment with exceptional care so physicians can focus on caring for the community.

Excellence in Service

Without hesitation CuraScript SD's distribution teams work diligently to complete daily orders. While always communicating with various teams to expedite allocation, inventory, and other needs. We find solutions whenever needed while ensuring that products are being safely and securely delivered on time. We look at every factor of the distribution process to create the most effective and efficient solution.

Rare Disease Efforts

Our Memphis distribution center specializes in Rare Disease medications. This team provides white glove assistance to those with rare and orphan conditions and offers specialized care in the transportation of these critical products. Housing exclusive and high-touch products, the Rare Disease team will always take every precaution to ensure successful storage and shipping of these products.

Meeting Your Needs

All of the teams across the CuraScript SD organization are dedicated to physicians and manufacturers. We believe a strong relationships provide the best outcomes. Meeting the needs of the healthcare community is and always will be our first priority.

CuraScript SD's unique approach to specialty distribution is what attracts our customers and our commitment is unmatched in the industry. We look forward to processing your order with care and commitment. There is no better way to be a meaningful part of healthcare than being the best possible partner in care.
