

Distributing Exclusives with Expertise

Serving the Specialty Community

CuraScript SD provides highly specialized products to customers, giving more access and options to their patients.

Delivering Confidence

Many exclusive products treat patients with very rare and complex diseases. It is our goal to supply these medications and have an impact on the patients our customers are caring for. As the exclusive specialty distributor for these products, our organization is intricately involved and extremely knowledgeable regarding the needs of the patient, physician and hospital community. It is important for our customers to have the products they need quickly and efficiently in order to have them readily available for patients.

Manufacturer Trust

Manufacturers trust CuraScript SD to uphold strict quality and services standards to our customers. We pride ourselves in making sure we meet the needs of physicians by providing superior dedication and support. As an exclusive distributor, we have capabilities to deliver unique and rare medications to our customers. Manufacturers trust us to deliver flagship products that are changing the way patients are treated. We achieve this trust by unprecedented relationships with manufacturers.

Diverse Exclusivity

Our exclusive portfolio includes medications that treat a variety of diseases across many specialties. Some of the distate states our exclusives treat include:

- Inherited retinal disease
- Spinal muscular atrophy
- Pulmonary arterial hypertension
- Multiple sclerosis
- Gaucher disease
- Cushing disease
- Cutaneous T-Cell lymphoma
- Systemic juvenile idiopathic arthritis
- Acromegaly
- Primary biliary cholangitis
- MDR HIV
- NAGS deficiency

Product Capabilities

While CuraScript SD has extensive dedication as an exclusive distributor, we have the same passion to distribute all of our products. With over 7,500 products available, we work to meet the needs of any and all practices. Customers can find products across all classes-of-trade and a variety of medical supplies all in one place.
